

## Tata Steel Special Economic Zone participated in EXCON 2017

*Bengaluru, 17<sup>th</sup> December 2017*

Tata Steel Special Economic Zone participated in **EXCON 2017**, to showcase and pitch Gopalpur Industrial Park (GIP) to potential construction and manufacturing companies. The event was held in *Bengaluru* from 12<sup>th</sup> -16<sup>th</sup> December 2017.

The exhibition witnessed renowned industry leaders such as JCB, Mahindra, Eicher, and Sonalika etc showcasing their offerings, their insights and expertise in the construction field.

The event was a good platform for networking with companies who are looking for expansion. Over 100+ delegates across the globe have visited the stall. And enquired about the project.

GIP stall received good response from the visitors and delegates.
