Registration Of Lease Deed Of Land For Tata Steel's Special Economic Zone Begins-1235 Acres Of Land Registered In First Phase - SEZ notification expected in November

Berhampur, October 9, 2015: The registration process of lease deed of land earmarked for Special Economic Zone at Gopalpur in Ganjam district of Odisha to the name of Tata Steel SEZ Ltd started on Friday, 9th October 2015 at the Sub-Registrar Office, Chhatrapur of Ganjam district, in which 1235 acres of land was registered in the first phase.

“With the registration of land in favour of the company, we hope to get the SEZ notification for Gopalpur from the Government of India in November. By early December, we would launch Gopalpur as an investment destination. We have already talked to investors in China and South East Asia who have shown interest to invest in the Gopalpur SEZ,” said Mr. Arun Misra, VP (Project Gopalpur) & MD, Tata Steel SEZ Ltd.

The Gopalpur Industrial Park being developed by Tata Steel will facilitate industrial development of the region to a great extent. Besides generating substantial employment opportunities, the Park will also contribute to the all-round socio-economic development of the area. With the inception of the multi-product SEZ in the district, Ganjam is all set to establish itself as the next industrial hot spot of the state apart from being just a tourist destination.
